# Important Information for 2019!

\*\*\*\*WE WILL BE CLOSED THURSDAY & FRIDAY, JULY 4th AND 5th\*\*\*\*

- \*We will continue to provide “Valet” service at morning drop-off. When you arrive between 8:00 and 8:20 AM, we will meet your car and help your child out. They will then walk into the Auditorium where they will meet their 1st period teacher. At 8:20, the teachers and students will walk together to their Period 1 class.
- \*If you arrive after 8:20, you will have to park in the lot and walk inside with your child inside to be signed in. The students will move to their 1st period class on their own, with staff guidance.
- \*The front doors will be locked during the day to provide extra security for your children. If you arrive outside of pick-up or drop-off hours, a staff member will ask to see your Driver’s License or other photo ID and open the doors for you. A photo ID may also be requested if we don’t recognize you or someone on your Authorized Pick-up List.
- \*We will not have a school nurse on duty during Summer Plus. Our CPR and First Aid trained staff will attend to minor injuries and administer an EpiPen if required. For all other injuries we will call 911 and the parent or guardian.
- \*For families interested in a half day option for their children, and for those that are participating in Summer Music Academy or Extended School Year, we will provide an afternoon half day option. Our four half day Field Trips or On-site Activities will all be held in the afternoon.
- \*We will offer a full-time “First 3 Weeks” option from Monday, July 1, 2019 through Friday, July 19, 2019. There will NOT be an option to send your child/ren the last 3 weeks only. This will provide the best opportunity for their Summer Plus experience.
- \*We will be offering the Simply Gourmet lunch program and parents will go directly to their website to register, select and pay for meals. This allows you to select from many more meal choices, add or drop days with a two day window, and choose from regular, vegetarian and gluten-free meals. We will organize the meals at lunch-time and make sure they are distributed. Please see the Simply Gourmet page for more info!
- \*Period 8 will end at 4:40. You will be able to pick-up prior to that time, but please understand that the front doors will be locked from 4:40 – 4:50 while the Period 8 teachers transition their classes to Summer Sunset, the Carpool Area, or the Auditorium for parent pick-up. Doors will re-open at 4:50, and parents can enter the building. Pick-up ends at 5:00 PM, and all remaining students will be moved to the Summer Sunset program at that time.
- \*If your child is registered for Sunset, you will **ALWAYS** pick up at the back cafeteria door. Your child is brought to Sunset daily at 4:40 dismissal, so please do not use the front doors.
- \*Summer Sunset will begin at dismissal and the **last pick-up will be at 6:00 PM**. Summer Sunrise hours remain the same, 7:00 AM – 8:00 AM.

# Summer Plus 2019

Summer Plus is an enriching summer environment for children that will keep them safely engaged and having fun from 8 a.m. to 5 p.m., five days per week! After they select from our many class choices, an 8-period schedule is planned for each child, based on his or her preferences and class availability. Choose from many options that will open young eyes to new learning, support basic skills to prevent the summer "loss of learning" that can occur with a lengthy time away from school or pursue a passion and just have fun!!

***It's better than camp—it's Summer Plus!***

- **Summer Plus:** children who have completed grade 1 through grade 7 choose their classes and follow an individualized schedule throughout the day
- **Calling All Kids:** a program for 4- and 5-year-olds (entering or completing K); children travel in a group of up to 20 through a pre-planned day
- **Leadership for Tomorrow:** students who have completed grades 7, 8, or 9 (and are recommended by a teacher) enjoy classes designed for their age group, attend leadership workshops, and help out in classes for younger students. This program meets full days only, for 6 weeks only. Consult our separate flyer for this program to learn more details!
- **Trips or On-Site Activities:** Afternoon half days on 2nd-5th Thursdays; costs included in tuition!

## Summer Plus, Leadership for Tomorrow, and Calling All Kids Program Schedules

**Dates:** July 1, 2019 – August 9, 2019 (No program on Thursday, July 4th or Friday, July 5th 2019)

**Hours:** Full Day Program: 8:00AM – 5:00PM Monday – Friday  
\*\*Half Day Program: 1:00 PM – 5:00PM Monday – Friday  
\*SMA or ESY students arrive at noon and join us for lunch and recess, all other arrive at 12:55 PM

\*\* Children who participate in Summer Music Academy (SMA) or Extended School Year (ESY) can register for this program, as well as students who just want an afternoon half day experience. SMA students can be registered for the first four weeks of half day afternoons, and full time for the last two weeks after SMA ends. ESY students can register for the first full week of Summer Plus and then afternoon half days, or only afternoon half days. We can also add full day Fridays for Weeks 2 - 6 if needed

**Schedule:** 6 Weeks July 1, 2019 - August 9th, 2019 (PM or Full Day)  
3 Weeks July 1 – July 19 (Full Day Only – First three weeks)

**Eligibility:** Students from any district who are about to enter Kindergarten in September 2019 or completing Kindergarten through grade 7 in June 2019 can register for Summer Plus!

Register **IN PERSON** at the Community School Office in the Frelinghuysen Middle School Complex (Suite A). We'll be taking registrations **Monday – Friday from 8:00AM to 3:30PM – call ahead to be sure we can help you.**

You can also **MAIL IN** registration (with check or credit card) to:

**MSD Community School  
PO Box 1485  
Morristown, NJ 07962-1485**

**\*\*DUE TO COPY QUALITY, WE CAN NOT ACCEPT REGISTRATIONS BY FAX**

**DEADLINE for Registration is Friday, May 31, 2019. Applications received after this date may not be accepted.**

For more information call 973-292-2063 or visit our website at [www.msdcommunityschool.org](http://www.msdcommunityschool.org)

## SUMMER PLUS REFUND POLICY

**\$25.00 Registration Fee is non-refundable**

**Prior to May 10th – 100% of tuition less \$100.00**

**May 11th to May 31st - 50% of tuition less \$100.00**

**After June 1st: NO REFUNDS**

**ALL REQUESTS FOR REFUNDS MUST BE MADE IN WRITING**

*The Morris School District is committed to equality of educational opportunities for all students and equal opportunity for all employees regardless of religion, sex, ancestry, national origin and social or economic status. The District also is committed to nondiscriminatory practices in the education of handicapped students and the employment of handicapped persons as mandated by NJAC 6:28 and Section 504 of the Rehabilitation Act of 1973/ADA, respectively.*

# GENERAL INFORMATION:

## Please read carefully!

- Programs will take place at the Frelinghuysen Middle School, 10 Jane Way, Morristown.
- Students bring their own lunch, snacks, and beverages - no glass containers, or order from Simply Gourmet.
- All students must submit the Summer Plus medical form – due with registration. Failure to return the medical form will prevent your child from starting Summer Plus on the first day. Students not enrolled in MSD must also have a medical form completed by their primary care physician—we will send it after you register.
- Enrollment is on a first come-first served basis. The Community School reserves the right to close a class once maximum enrollment has been reached and the right to cancel a class due to insufficient enrollment. We make every effort to ensure that all classes in your child’s schedule were requested, but we can’t guarantee this.
- **No schedule changes will be made until the program’s 3rd day (7/3/19).** They will become effective on Monday, July 8th. **Class changes are billed at \$25 per change, based on availability.**
- Please use our “Valet Drop-off” in the morning between 8:00 and 8:20 AM. If you arrive later, please park in the lot and walk your child to the Welcome Center.
- Sign-out will be in the auditorium for all students (other than carpool and Sunset) after 4:50 PM until 5:00 PM. Carpool pick-up will be located in the side lobby to the left of the auditorium.
- Supervision is not available during the lunch hour for part-time students unless they are coming from another District program; children enrolled in the PM session only cannot arrive until 12:55 p.m.
- Once you have submitted your application, you will not hear from us unless there is a problem scheduling your child for the classes you have requested. In mid-June you will receive a packet from us with all the information you will need for the first day of Summer Plus.
- Participation in our programs is subject to all rules and regulations established by the Morris School District Community School. Students are expected to behave in ways that demonstrate consideration for the rights and needs of others and to conform to all rules and regulations. Failure to meet these expectations for behavior may lead to restrictions, suspension, or dismissal from the program.

**Call 973-292-2063  
for more information!**

### EXTEND YOUR CHILD’S MORNING STUDIES WITH A FUN AFTERNOON!

If your child will be attending Summer Music Academy, Extended School Year or any MSD morning program, talk with us about enrolling in Summer Plus to complete his or her day!

We will provide a great afternoon (and Fridays if you’d like) for your youngster and transportation to FMS is provided for students attending district programs in the morning.

# SUMMER PLUS PROGRAMS – 2019

To make the brochure easier to understand and the registration process more clear, **selections are divided into classes for grades 1-3 Juniors** and for **grades 4-7 (Seniors)**. This allows us to schedule the children by age and ability. There are many new classes this year, and we have also added additional sections of our most popular classes so there is more opportunity to get your “top” choices! **Please note that the grade is the one that your child just completed, not the grade they are moving into.** We cannot make exceptions to this. When a class is only offered in the morning, or the class requires a six week commitment or more than one period per day, it will be listed next to the class.

## CALLING ALL KIDS!

### Children entering Kindergarten or 1st Grade in September 2019

Youngsters will stay together as a group and still have an opportunity to experience a wide variety of programs in the arts, sports and recreation, and academic enrichment. Daily programs will include such courses as **Having Fun with Healthy Choices, Computer Kids, Kindergarten STEAM, Big Lego Math, and Sharing is Caring.** Scheduling depends on enrollment. Please choose **“CALLING ALL KIDS”** on the application form to register for this program. Attendance alternatives: 6 Weeks – Full Day; 6 Weeks – PM only ; 1st 3 Weeks – Full Day

## JUNIORS – Gr. 1-3 Science/Math/Technology

### ARCTIC ADVENTURE CAMP

Brrr!...there's a chill in the air! Come learn about cold-weather animals, including polar bears, penguins, and seals that live in the icy cold wilderness. Arctic Adventure camp will be full of stories, fun, projects, and even some special arctic food.

### DESIGN AND BUILD

Plan a “city” from start to finish while working with the concepts of size and scale. Then “build” it using items found around the house.

### DIGITAL PHOTOGRAPHY FOR BEGINNERS

It's never too soon to start looking at the world through the lens of a digital camera! Learn the basics of photography and how a camera works and create your own beautiful prints in this hands-on class.

### FREAKY SCIENCE FUN

Work on science based projects that are lots of fun to do! See how you can make an egg float and make elephant toothpaste! Make mazes, simple machines and much more in this hands-on science class. Of course, slime is included!

### GREEN SCIENCE

Our young scientists will discover fun ways to make our planet a bit greener--and better for all of us--as they learn about the ecological connections between the people and other creatures who call our Earth their home. They will explore all kinds of living organisms, discover what life in the sea is like, conduct their own science experiments, and create eco-themed works of art.

### MAGICAL MATH

Use numbers to solve all kinds of riddles and problems! Have fun with Sudoku, Color by Numbers, card games and more as you explore the magic of numbers in our everyday life!

### MAKER SPACE

Makerspaces are creative, Do-It-Yourself spaces where students can gather to create, invent, and learn. They help to encourage imagination and creativity, and give children an opportunity to try many new things. This class will offer hands-on fun and exploration, all self-paced, that will excite young minds.

### ROCKETS, MICROSCOPES & COOL CHEMISTRY

Become a scientist by doing experiments in a laboratory setting: chemistry experiments, making tornadoes, launching rockets, creating crystals, analyzing small life forms, experimenting with electricity, discovering how planes fly! This is a hands-on course with activities and experiments that will be truly enlightening, educational, and very enjoyable.

### S.T.E.M, Jr.

An introduction to problem solving and design challenges. Learn how to work with partners and in groups.

## Reading/Writing/Self Expression

### AROUND THE WORLD

Span the globe and explore different cultures and continents. Read and re-tell traditional stories and make all kinds of crafts popular throughout the world.

## **COOKING WITH BOOKS**

Have fun reading a favorite book and then imagine what the characters would like to eat! Once you have created the recipe, make it come to life in the kitchen and enjoy it yourself.

## **DIGITAL STORYTELLING**

Write stories on the computer and then create digital illustrations to make them come alive! Make them into cartoons or video clips for even more fun!

## **HELLO HARRY POTTER**

An introduction to the wonderful world of Harry and his friends, as they share amazing experiences at Hogwarts. Based on reading, students will also enjoy games and art and crafts all related to this very popular book series.

## **I LOVE TO READ!**

Explore the fun of reading in this program designed for the young reader. Read at least one book per week as a group, taking turns reading out loud. Once we are finished, we will do related craft projects that support creative skills and bring a deeper understanding of what we read.

## **PUPPET READER THEATER**

Combine reading with the fun of making puppets and performing a puppet show. Students will read selected books, write a play based on the book and bring it to life with their puppet creations!

## **RACE INTO WRITING**

Keep those pencils moving all summer long! Use picture books and other brainstorming tools to explore the writing process. Your child will work on his or her writing fluency, all the while developing confidence and an "author's voice."

## **READ ABOUT IT - WRITE ABOUT IT**

This program will provide early readers an opportunity to reinforce their reading and writing skills by reading grade level books, magazines and articles throughout the summer and then writing about them. Participants will read something new every week and do related activities that support reading comprehension and writing skills.

## **Arts/Crafts**

### **COLOR ME HAPPY!**

Coloring has moved far beyond just paper and crayons. Explore your creative side while using new mediums and techniques to create a perfect project. Coloring outside the lines is fine!

### **CRAZY FOR CRAFTS**

Take your time and enjoy making more complicated crafts to take home and enjoy! Each new craft will take several classes to complete, and you will work with many different materials as you learn how to create something very special.

### **ENDLESS CREATIONS**

Create three-dimensional projects, such as masks, puppets, and imaginary creatures, using air-drying clay, papier-maché, dough and many other fun materials. Endless possibilities!

### **FRIENDSHIP BRACELETS AND MORE!**

If you can wear it on your wrist, you can make it in this class! Thread, lanyard, beads, and lots more materials will help you create special bracelets for you or a friend!

### **HOW TO DRAW....ANYTHING!**

Be creative and have fun! Using all kinds of art supplies, learn the basics of drawing. The only limit is your imagination!

### **LOTS OF LANYARD**

That wonderful plastic cord that can be used to create just about anything! Have fun designing and making lots of useful items from colorful lanyard.

### **ON A ROLL**

You can't believe what can be made out of duct tape, especially the new styles with colors and patterns that can be used to make hundreds of things! In this class, we will create a variety of items: bags, wallets, jewelry, belts - all out of tape and all that can really be used.

### **ORIGAMI**

The art of paper folding, usually associated with Japanese culture. Create beautiful sculptures using just paper and your hands!

## RECYCLE AND RENEW

Be creative and help our planet by recycling, all at the same time. Have fun creating projects to make from things that would have usually been thrown away.

## Cooking/Food/Nutrition

**\*\*If your child has food allergies or other significant dietary concerns, please do not select these classes. We cannot guarantee a nut-free environment, and our pantry and kitchen is co-mingled. Please call the office with specific questions and/or concerns before registering. \*\***

### BUILD IT - EAT IT!

A little bit of technology and a lot of yummy fun! Students will design their creation, and then use simple food items – pretzels, marshmallows, gum drops, etc. to “build” it! Once their creation is complete, it is extra fun to eat!!

### CHOCOLATE, CHOCOLATE!

Dark! Light! Bittersweet! – Chocolate kisses!!! Chocolate fudge!!! In this course we will explore CHOCOLATE: books and stories about chocolate, chocolate in different cultures, where it comes from, how it's made, and of course – we will be creating lots and lots of chocolate treats!

### COOKIES FROM SCRATCH!

Learn all about the science behind cookies by using different ingredients to change flavors, textures and more. Use your knowledge to create delicious and good-for-you recipes that you will really enjoy!

### GARDENING IS GREAT

If you love to watch things grow, and then enjoy creating recipes with your harvest, this class is for you. We will create a small “garden” using gardening pots, vegetables and herbs, all while learning about what happens from seed to table. While we wait for our harvest to grow, we will learn about different types of produce, and use purchased items to create fun things to eat!

### INCREDIBLE EDIBLES

One piece of pizza + two pieces of pizza = 3 pieces of pizza!! Students will strengthen their skills in math concepts such as counting, measuring, adding and subtracting by preparing and enjoying a wide variety of easy-to-cook foods, such as pudding, cookies, healthy snacks, etc. Along the way, see how much fun it is to mix food and math!

### SMOOTHIES AND HEALTHY SNACKS

Learn about healthier ways to snack, featuring smoothies made from all sorts of ingredients. Learn what foods are best for you and why, and how to make healthy choices taste great!

### SWEET and SAVORY SNACKS

Follow creative recipes to make tasty and good-for-you snacks that the whole family will enjoy. We will explore and use a wide variety of ingredients - including some you may have never heard of!!

## Music/Theatre/Dance/Exercise

\*\* Please note – We have final performances in Week 6 for several of these classes – please note 6 week requirements when making your selections\*\*

### BROADWAY, JUNIOR AM (6 Week Students Only -2 Periods)

Sing and dance your way through an adaptation of a wonderful musical production, specially selected to excite and encourage our younger performers! The program will culminate with a performance at the end of the summer program. (Meets 2 periods per day.)

### CHEERLEADING 101 (Grades 1 – 8 combined, 6 Week Students only)

RAH! RAH! SUMMER PLUS! Learn the cheers, dance moves, and jumps needed for this sport. Practice fundamentals and then perform in our end-of-summer performance.

### FOOTLOOSE

Using a variety of popular music styles, you can express yourself with new moves that are creative and exciting. Traditional movement (like line-dancing), hip-hop, African and Latin dance moves, combined with a little “street funk,” are sure to create a unique dance experience!

### STRETCH IT OUT

We all need exercise every day, and this class will help you learn fun ways to get it! Stretch, dance, flex and move as you learn simple routines that you can have fun doing.

## **SUMMER PLUS SINGERS** (6 Week Students Only)

Sing for enjoyment and improve your skills at the same time—there are so many kinds of songs to sing! Develop your singing technique and gain performing experience! In this program, we'll sing familiar and "new to you" songs, chosen to help everyone grow their voices.

## **ZUMBA FOR BEGINNERS**

One of the hottest dance/exercise crazes to come along, Zumba is a great workout for everyone. This class will be paced to the age of the children in the group and set to their favorite "tunes". Sneakers required

## **Sports/Games**

### **BASEBALL**

Play Ball! Enjoy America's favorite summer sport. There will be instruction in fielding, throwing, hitting, base running, pitching, and general baseball strategy. (Younger students will play T-Ball.)

### **BASKETBALL**

Learn techniques in ball handling, passing, shooting, rebounding and defensive moves. Grades 1 – 3 will use a smaller, free-standing hoop and play half-court.

### **CHESS: THE GAME OF KINGS**

Begin to learn how to play the most popular game ever invented! Learn where the game came from, the rules of the game, how the pieces move, and some important strategies for winning. You will learn the basics, and maybe more! Compete in a chess tournament with your classmates! This is an introductory class, but if you have some experience already, you will be grouped with players who have similar skills.

### **COMPUTER GAMES**

Playing games and learning have never been as much fun as they are on the computer! Join us as we explore an unlimited supply of age appropriate games and activities.

### **CREATIVE CARD AND BOARD GAMES**

Beat the heat and relax with old and new card and board games. Play some of the games your family will remember from their childhood!

### **GOLF**

Learn the basics of this popular sport. Use of clubs, putting, rules and scoring will all be covered. Age and size appropriate equipment will be provided.

### **SOCCER**

Increase your enjoyment of the game by improving your skills in dribbling, heading, kicking, trapping and throwing. Learn correct soccer techniques that will make the game more exciting and interesting. (Repeats welcome!)

### **SO MANY GAMES**

Have a great time while playing a different game or sport every day! Learn the basic history and rules of the games, as well as teamwork and sportsmanship. Play games like Kickball, Volleyball, Ultimate Frisbee and many, many more – usually outside on the lawn!

### **TENNIS (AM Only)**

Learn to play tennis – a sport for a lifetime. In this popular program students will learn and practice the skills, techniques and strategies for singles and doubles play. Students will be divided by skill level within their class: beginner and intermediate. Enrollment is limited.

### **YOUNG RUNNERS**

Running is a sport that you can enjoy for your entire life, and it is never too soon to start! Learn the basics of stretching and warming up, and how to run safely. Since students will be running during this class, sneakers are required.

## **SUMMER PLUS is on the road...to even more fun!**

**Summer Plus will participate in four PM half-day trips or on-site activities, broken down into age-appropriate groups! Trips will be on Thursdays during the 2nd – 5th weeks of Summer Plus; no trips in weeks 1 or 6. Children attending the first 3-week session will go on two trips!**

Trips will take place on July 11, 18, 25 and August 1. Trips or on-site activities will be geared to the age and stage of group participants; visiting the same venue does not mean doing the same things! Students will attend only those trips that occur during their regular Summer Plus schedules. We use school buses for off-site Summer Plus trips and staff participate in chaperoning. Cost for trips or on-site activities and tee shirts are included in Summer Plus tuition and students must wear their Summer Plus tee shirts on ALL trips.

**For more information about trips, contact: MSD Community School at 973-292-2063**

# SENIORS – Gr. 4-7

## Science/Math/Technology

### **BRAIN BUSTERS**

Challenge your mind with games, graphing and more. Solve a complicated problem or puzzle while learning how to use logic to make the problem easier.

### **CODING FOR KIDS**

Learn “computational thinking” to support the basic concepts of writing computer code by using engaging, fun apps that will challenge and amaze. Create your own programs that will amaze family and friends. Students will be grouped by ability.

### **DESIGN AND BUILD!**

Make plans and create models of familiar sites in the world around us. Learn to make blueprints and then follow through to build prototypes. This class will use common materials to construct models.

### **EMBRACE NATURE**

This rain or shine class will take students outdoors every day to discover the magic and miracles of nature. Document the beauty of nature using video, pictures and journals, the wonders you experience in the outdoors!

### **GEARS AND GADGETS**

Design and build contraptions that do fantastic things! Explore the effects of gravity and the influence of the inclined plane! Rollercoaster? Stunt car tracks? On-ramps and off-ramps? Practical physics and total fun!

### **GREEN SCIENCE**

Our summer scientists will discover fun ways to make our planet a bit greener--and better for all of us--as they learn about the ecological connections between the people and other creatures who call our Earth their home. They will explore all kinds of living organisms, discover what life in the sea is like, conduct their own science experiments, and create eco-themed works of art.

### **LEGO CONSTRUCTION**

Explore the world of Legos through finding or imagining plans and creating structures to match! We provide the Legos and you provide the imagination and develop your skills! Move through basic projects and explore intricate designs

### **MAKER SPACE**

Makerspaces are creative, Do-It-Yourself spaces where students can gather to create, invent, and learn. They help to encourage imagination and creativity, and give children an opportunity to try many new things. This class will offer self-paced, hands-on fun and exploration guaranteed to excite young minds.

### **MATH WHIZ**

Use the latest computer software to explore the world of math! Students will experience the adventures of math available to them on the computer while enriching their skills in math concepts, computation and problem solving.

### **ROCKETS, MICROSCOPES & COOL CHEMISTRY**

Future scientists will learn by doing experiments in a laboratory setting, including chemistry experiments, launching rockets, experimenting with electricity, discovering how the natural world works. This is a hands-on course with activities and experiments designed to spark the imagination.

### **S.T.E.M.**

Short term design challenges and problem solving experiences to excite the imagination and stretch the mind! Work collaboratively to find solutions.

## Reading/Writing/Self Expression/Language

### **HARRY POTTER**

We may all be muggles, but come with us on a delightful journey to explore the world of wands and wizardry! Reading, games, crafts and activities related to the books and movies! Learn to play Quiddich!

### **STAR WARS**

Join Luke, Hans, Princess Leia and more as you journey through the Star Wars Empire. Using movies, books, games and more, you will travel forwards and back through the history of Star Wars, and even the biggest fan may learn – or teach - something new!

### **INTRODUCTION TO ITALIAN**

Have you always wanted to learn another language? Learn the alphabet, basic words and phrases and even more to get you started on a lifetime of language learning. This class will also explore Italian culture and food to help students understand the beauty of Italy.

### **JOURNAL YOUR ART**

Enjoy the process of creating an illustrated writing journal in which you use your growing vocabulary to describe your surroundings, sketch the things that you see, and form a habit of observation and description that can continue throughout your life!

## LOVE THAT READING!

Reading --- it's everywhere! Come explore just how much fun reading can be. We will read a novel and many other shorter pieces as we increase our reading and comprehension skills as well as love of reading. You may use your Summer Reading books in this class.

## SUMMER PLUS NEWSLETTER

Work with your team to create a weekly Summer Plus newsletter. Your writing, pictures and illustrations will let your fellow campers know what happened during the week, and what to look forward to in the coming week. This is a great class for anyone who loves to write and create.

## YEARBOOK FOR SUMMER PLUS

Students will take pictures, create, and publish a paper and digital Summer Plus Yearbook. The yearbook is given to every student to take home at the end of the program. Join us and document Summer Plus 2019.

# Arts/Crafts/Photography

## CARD MAKING OF ALL KINDS

Use all sorts of materials to create beautiful, hand-made greeting cards, perfect for every occasion. Bring back the lost art of sending a card to remember a special occasion!

## CLAY CREATIONS

Students will have an opportunity to explore their own creativity and express themselves through clay. They will create clay pieces ranging from trivets and pots to boxes and bowls as they learn the techniques and experience the pride that comes with accomplishment and creativity.

## CRAZY FOR MOSAICS

Mosaics are an ancient art form that can really stretch your imagination! View extraordinary examples from museums and public buildings as inspiration, then create works of art and useful objects. We will use paper/pencil and digital designing tools to plan, before building our designs using tiles, small stones, and cut paper.

## DIGITIZE ME – GETTING CREATIVE WITH PHOTOGRAPHY

Aim, click, create! Learn how to take and use digital photos you already have, and the ones that you will take during this class – to create all sorts of interesting projects like t-shirts, buttons and more. You will also learn how to use photos in journals, scrapbooks and more.

## MAKE IT BY HAND

Handcrafted items are very popular, and there are many mediums that you can use to make special one-of-a-kind items for yourself or others. Using special materials, this class will explore and create hand-made masterpieces.

## ON A ROLL

You can't believe what can be made out of duct tape!!! The new version, with colors and patterns that can be used to make hundreds of things!! In this class, we will create a variety of things: bags, wallets, jewelry, belts, even clothes...all out of tape and all that can really be used.

## PAINTING, PROPS AND THEATRE TRICKS (2 periods AM-6 week students only)

Put your creativity to work designing, drawing, painting and building! We'll create the scenery, masks, props, etc., for scenes in our end-of-summer performances.

## PIN IT!

Pinterest has taken over the crafting world and there are so many choices! Students will work with their teacher to use the site and select projects ranging from crayon art to cooking to décor!

## TEE SHIRTS... PLUS!

In this graphic design class you will move from idea, to drawing, to Adobe Photoshop, to heat-transfer printing and fabric paints, to creating your own extraordinary original artwork, on tee shirts, bags, sweatshirts and more. **\*\*Summer Plus will provide 6 tee shirts, additional shirts to be provided by the student.**

### **CHOREOGRAPHY FOR YOUNG DANCERS**

Learn how dances are constructed, putting basic and advanced steps together with your favorite music. Collaborate on a short dance that can premiere at our end-of-summer performance.

### **FOOTLOOSE**

Using a variety of popular music styles, you can express yourself with new moves that are creative and exciting. Traditional movement (like line-dancing), hip-hop, African and Latin dance moves, combined with a little "street funk," are sure to create a unique dance experience! A highly anticipated performance at the end of summer!

### **GUITAR - PM (6 Week Students only)**

From folk to blues, classical to rock...learn to play guitar in just six weeks! Understand different styles of guitar and guitar playing while taking the first steps in reading music and playing chords.

### **KTV (6 Week Students only)**

Join the Summer Plus Kid TV Network! As part of the KTVN crew you will bring a project to completion, sometimes working behind the camera and sometimes in front of it. It may be a commercial, a PSA, a short drama, or comedy skit. Learn the ropes and then show off your skills! All ability levels welcome – students will be grouped by experience..

### **PIANO KEYBOARDING - (6 Week Students only)**

Now is your chance to gain the skills of piano keyboarding! Students will learn to play musical selections using an electronic keyboard. At the end of the program there will be an opportunity to perform. Choose Beginner or Advanced. Advanced students must have completed Beginner.

### **SUMMER PLUS SINGERS - (6 Week Students only)**

Sing for enjoyment and improve your skills at the same time—there are so many kinds of songs to enjoy singing! Develop your singing technique and gain performing experience! In this program, we'll sing traditional and popular songs, familiar and "new to you," chosen with your strengths and areas for growth in mind.

### **TAP DANCE (6 Week Students only)**

Learn the basics of tap, a fun dance form and excellent source of exercise! Students will start with basic footwork and learn how to tap in time to music using fun routines. Tap Shoes are required for every class.

### **UKULELE (6 week students only)**

Learn the ukulele in six weeks! Even if you have never picked up an instrument of any kind, you'll learn the fundamentals and be able to strum along with songs! We provide the instrument, enrollment is limited.

### **YOGA FOR BEGINNERS**

Stretch your mind and body as you learn basic yoga positions. Gentle stretching and breathing exercises will be taught as well.

## **SPORTS/GAMES**

### **BASEBALL**

Play Ball! Enjoy America's favorite summer sport. There will be instruction in fielding, throwing, hitting, base running, pitching, and general baseball strategy.

### **BASKETBALL**

Back for another season! Learn techniques in ball handling, passing, shooting, rebounding and defensive moves.

### **CHESS: THE GAME OF KINGS**

Learn how to play the most popular game ever invented! – where the game came from – the rules of the game – how the pieces move – and some important strategies for winning. If you already know the basics, this course will give you a chance to hone your skills. Compete in a chess tournament with your classmates. Beginner or advanced.

### **COMPUTER GAMES**

Playing games and learning have never been as much fun as they are on the computer! Join us as we explore an unlimited supply of well-known and new games and activities.

### **EVERYTHING RETRO**

Have fun learning – or re-learning – many of the card and board games that your parents played! Mix in music and movies and you'll think you have traveled backwards in time!

### **GOLF**

Learn the basics of this popular sport. Use of clubs, putting, rules and scoring will all be covered. Age and size appropriate equipment will be provided.

### **NET GAMES**

If a game involves moving an object over a net, you will learn how to play it! Badminton, volleyball and some that you have never heard of will be included in this fast-paced, fun class.

### **SOCCER**

Increase your enjoyment of the game by improving your skills in dribbling, heading, kicking, trapping and throwing. Learn correct soccer techniques that will make the game more exciting and interesting. (Repeats welcome!)

### **SO MANY GAMES**

Have a great time while playing a different game or sport every day! Learn the basic history and rules of the games, as well as teamwork and sportsmanship. Play games like Kickball, Volleyball, Ultimate Frisbee and many, many more – usually outside on the lawn!

### **TENNIS (AM Only)**

Learn to play tennis – a sport for a lifetime. In this popular program students will learn and practice the skills, techniques and strategies for singles and doubles play. Students will be divided by skill level within their class: beginner and intermediate. Enrollment is limited. (Intermediate requires at least one previous year of Summer Plus tennis)

### **FLAG FOOTBALL**

Practice for the fall season in this action packed class. Skills in throwing, catching, punting and kicking will be taught. Exciting play-off games will culminate the season. Boys and girls can register. (Repeats welcome!)

## What's For Lunch?

# SIMPLY GOURMET IS BACK AGAIN THIS SUMMER!

Please read the letter below and follow the directions to order!

### Summer 2019

Dear Parents & Campers,

Welcome back! We are Simply Gourmet; a catering company specializing in providing food services to children. We will once again be providing lunch service for your 2019 summer camp season.

**Need a break from packing lunches.....let us do the work for you this summer!!**

Order processing is automated by visiting our web site:

[www.SimplyGourmetLunches.com](http://www.SimplyGourmetLunches.com)

Returning customers will log in to your existing account or new users will create a new account. (Click on the "How It Works" tab on our home page to follow step by step directions to create an account.)

We proudly offer "wholesome" meal options which have no gmo's, no artificial ingredients, no growth hormones and no trans fats; only fresh super foods that promote a healthy diet for children!

When placing your order, you will be directed to our standard menu which includes an entrée, a side & a fruit/ veggie as your base meal bundle. You may customize any meal component listed by simply checking one of the daily boxes and then clicking on "edit this day" which will open up the drop down boxes listing our many alternate selections. A-la-carte items will also be listed and can be purchased on any day. (ie. Beverages, desserts etc...) You may choose to participate every day or any individual days within the summer session. Orders must be placed three days in advance of the day you would like to receive service. Please keep this in mind when you are placing your orders. We encourage you to order for the whole session to avoid being locked out.

**\*\*YOU WILL BE ABLE TO PLACE YOUR ORDERS AFTER JUNE 1, 2019\***

If you have any trouble navigating through our website feel free to contact us and we can "walk" you through the process.

We look forward to serving your children!

## SUMMERSUNRISE – SUMMERSUNSET

The **SummerSunrise** and **SummerSunset** child care programs are operated by the Morris School District Community School and are designed for children attending Summer Plus. Both programs provide a safe, supportive, supervised environment in which children can relax and play while their parents are at work. We use space in the cafeteria at Frelinghuysen Middle School and there is a modest cost for each program. You get five days of peace of mind, on-time arrival at work, time to get those groceries—whatever you need the time to accomplish!

**SummerSunrise** opens at 7AM and extends until 8:00AM.

**SummerSunset** begins immediately at 4:40 PM and extends until 6:00PM.

# Summer Plus Code of Conduct

The child behavior policy is in place to assure that there are uniform guidelines for behavior management within the Summer Plus program. It is expected that all families enrolled understand the policy that Summer Plus follows when dealing with matters regarding inappropriate behavior. It is the goal of the Summer Plus staff to set appropriate limits for the children to succeed within. Staff will give acknowledgement to children when they cooperate, share and participate. The staff will also encourage children to resolve their own conflicts using conflict resolution methods and will intercede when needed.

When inappropriate behavior occurs and/or persists, Summer Plus staff will help a child modify this behavior by talking with the child to help them understand why the behavior is not acceptable. They will also discuss the consequences of that behavior, as well as alternatives to use in the future. It is required that Summer Plus staff report any inappropriate behavior that results in physical or verbal harm to a child's peers, staff or them-selves to the child's family. All incidents of inappropriate behavior will be documented, parents will be notified and required to sign the incident report.

After two documented incidents, the family of the child will be contacted for a meeting with the Summer Plus Supervisor and/or Community School Coordinator. The desired outcome from a meeting is to produce positive behavior guidelines for the child with the staff and families in agreement. The behavior guidelines should then be met and improvements seen within a pre-determined period of time. After this period, the decision will be made for the continuation or discontinuation of the child's enrollment in the Summer Plus program. If enrollment is cancelled, the Program Coordinator will decide the length of time that suspension is necessary. There will be no refund of fees paid if a child is suspended from a program.

The Program Coordinator has the discretion to temporarily or permanently remove a child from the program if documented behavior problems persist or if immediate action is necessary. It is the discretion of the Summer Plus Supervisor if a child's behavior requires that a family member pick up a child earlier than time of program closing. Enrollment in all Summer Plus programs requires agreement to the behavior policy
