

Secret Spots of Philadelphia

Magic Gardens & Italian Market

One Day Tour ~ Thursday, May 18, 2023

Bring some magic to your May at a secret spot in Philadelphia that glitters and glistens with creativity and artistic fun. Philadelphia's Magic Gardens is an immersive mixed media art environment that is completely covered in mosaics. Creator, Isaiah Zagar, constructed this sparkling indoor and outdoor space equivalent to half a city block out of handmade tiles, bottles, bicycle wheels, mirrors, and ceramic shards as he's done since the late 60s to various places around the South Street area. Take your time wandering the tiled passages that weave around the outdoor sculpture labyrinth and in the two fully mosaicked indoor gallery spaces. Channel your inner mosaic for a special take home surprise! We'll then take a stroll down Philly's famous South Street where you'll find ethnically diverse restaurants with anything imaginable along with a wonderfully eclectic lineup of independent shops. Enjoy a leisurely lunch on your own with time to browse or just relax. Just a short walk away is one of the oldest and largest open-air markets in America, so let's make our way. Dozens of vendors line the streets selling the freshest vegetables, fish meats, spices and produce at Philadelphia's Italian Market. Wander through the butcher shops and bakeries where you'll marvel at the amazing array of products on display and the experience of it all. © 2022 Group Tours & Travel
